Furthermore, I understand that this office will prepare any necessary reports and forms to assist me in collection from the insurance company and that any amount authorized to be paid directly to this office will be credited to my account upon receipt. I permit this office to endorse co-issued remittances for the conveyance of credit to my account. However, I clearly understand and agree that all services rendered to me are charged directly to me and that I am personally responsible for payment. It is my understanding that my credit may be checked if Fletcher Chiropractic extends credit to me and I also understand that if I suspend or terminate my care and treatment, any fees for professional services rendered to me will be immediately due and payable unless prior arrangements are made. **The following is an explanation of our office policies. We believe that a clear understanding will allow us both to concentrate on the most important issues; regaining and maintaining your health. We will be happy to answer any questions you may have regarding our policies, your account or insurance coverage.**

**Complimentary Consultation**

Fletcher Chiropractic will conduct a special “no charge” consultation, or brief conference, with anyone interested in finding out if chiropractic can help them with their individual health problem. There is no charge or obligation in connection with this appointment.

**Patient Payment Policy**

We feel the patient’s health needs are paramount. Therefore, the following Patient Care Services policy is an attempt to allow you, the patient, to receive the care you need and clear your balance with the least amount of difficulty.

**Patient Care Services**

Payment in full for all services is due at the time of service unless other arrangements have been made. Payment arrangements may be made with the office and payments must be made no less than monthly. Please understand that all services rendered to you are charged directly to you and you are responsible for payment, regardless of your insurance coverage. Properly documented Worker’s Compensation and auto accident claims are not required to pay at the time of service if appropriate forms and liens are signed.

**Our Policy on Health Insurance**

Many insurance policies cover chiropractic care. We will be happy to file your insurance claim for you and do everything we can to ensure you receive reimbursement. However, we cannot take responsibility for what your health insurance will or will not cover. It is important that you understand that health and accident insurance policies are an arrangement between an insurance carrier and you the patient, their insured. Of course, Fletcher Chiropractic will prepare any necessary reports and forms to assist you in collecting from your insurance company. Furthermore, any amount authorized to be paid directly to Fletcher Chiropractic will be credited to your account upon receipt.

**Massage Therapy Appointments**

In order to better serve our patients we ask that you call if you are unable to make your appointment or if you are running late. Your appointment time is reserved for you. If you fail to notify our office, it leaves a time slot open that could be used to help someone else. Please help us help others. Our office has a \$60.00 no show/late cancellation charge if we fail to receive 24 hours notice. Please call our office as soon as possible if you are not going to make your scheduled appointment.

**Identification Policy**

Fletcher Chiropractic requires a copy of photo identification (ex: driver’s license, passport, student ID) be on file in order to receive care.

**Questions and Answers**

Your questions about any aspect of your care or account are invited. Please feel free to ask the Doctor or any available staff member. We will make every effort to answer and address your concerns.
